Almost immediately an explosion of the chest street of the chest street of the chest street. It was not foud. Almost immediately and one one-third in twelve months with interest on the payments.

Ang D. WM. HOWMAN, Amignee.

Officers searched the house thoroughly, fall. There being no further business for its consideration the convention at 5 p. m., adjourned.

It came so suddenly that it was impossible for a living being to escape from the buildings. On the ground floor of one of them was a resturant that was crowded with people. The other floors were occupied by the Southern Publishing Co.; S. Loutelle & Co., art designers; Ellis & McDonald, bookbinders. The owner of the restaurant was as the Holy Coat was exposed to view yes tenlay morning in the Cathedral at Treves.

It came so suddenly that it was impossible for a living being to escape from the buildings. On the ground floor of one of them the was a resturant that was crowded with people. The other floors were occupied by the Southern Publishing Co.; S. Loutelle & Co., art designers; Ellis & McDonald, bookbinders. The owner of the restaurant was of the name of Rosenfield. It was said, also, that a portion of the building was occuted in with a deafening crash.

It came so suddenly that it was impossible to murder but the tell-tale stick which had locked the children to their death. The theory is given out that some of the neighbors children had been playing with the Hamilton babes, and had locked the house thoroughly.

Extended the house thoroughly, but could find nothing disturbed and not a clew to point to murder but the tell-tale stick which had locked the children to their death. The theory is given out that some of the neighbors children had been playing with the Hamilton babes, and had locked the min, not knowing of the terrible consecuting having been granted to their death. The theory is given out that some of the neighbors children had been playing with the Hamilton babes, and had locked the had locked the had locked the children to their death. The theory is given out that some of the neighbors children had been playing with the Hamilton babes, and had locked them in, not knowing of the terrible consecutive latest to make invending to a live the stick which had locked the had locked the had locked the had

GREENSBURG, Pa., Aug. 20-Mrs. Minnie Nichols was arrested last night, charged with side of the shrine containing the Holy Coat as the ruins are burning furiously and all keeping a disorderly house, and this morncase, which was surrounded by tall lighted efforts are being directed toward getting the ing Constable Blansett made information candles on handsome candlesticks and surmounted by a large gold cross. There was of resone and of recovering the bodies of the tempting to poison a 5-year-old child of Mrs. an impressive scene in the sanctuary, over a dead may be begun. The janitor of No. 81 Morris, a neighbor. It is charged that she hundred priests assisting in the ceremonies, said that the accident occurred so quickly had put arsenic on a piece of meion which that he did not see a person escape, and felt she induced the girl to eat, and had sent a

Mrs. Nichols has been on bad terms with the Morris family, and, in fact, with all the families of the neighborhood. She denies earnestly urged the faithful to unite in ven- enfield & Co., on the second floor of No. 72 most emphatically that she tried to poison that there is no truth in the poisoning story,

When the police arrested the woman on a so dense that the firemen were driven back. charge of keeping a disorderly house, a well-Much comment has been caused by the The number of those buried in the ruins known real estate agent was found in the establishment. He says he was there to collect rent. He was arrested with the others
